

2,000 PSF
ROLLING LOAD
RATED

Integrity. Service. Excellence.

Pallet Jack Floor
"PJFN"

Our Pallet Jack Floor

- Added structure and durability, depending on your application.
- More substantial. Withstands pallet jacks, foot traffic, hand trucks and rolling carts.
- Underlayment for more rigidity and structure.
- A complete 4 inches of insulation. No reduction because of construction method.
- 2,000 psf rolling load rated.
